OAD Prevention Headquarters congratulates MHSD for being the #1 area in the state for enrollee registrations of children and young people in evidenced-based substance abuse prevention programs. Total registrations: 12,803 in FY 2009, up from 5,362 in FY 2008, a 139% increase!

We also want to commend you all for recreating MHSD into a new agency that is ready and able to increase its positive impact on the lives of your citizens, especially children and families.
